# AI Digital Marketing Training Kyun?

Digital marketing ka poora landscape badal gaya hai. ChatGPT, Claude, Perplexity jaise AI tools ne search, content aur advertising ka tarika change kar diya hai. Jo marketers AI samajhte hain wo 3x zyada output de rahe hain aur jaldi hire ho rahe hain.

## 30% Job Growth India Me

Digital marketing jobs me 30% growth aayi hai pichle 2 saalon me. Companies ko trained log chahiye - degree nahi, skills chahiye.

## 92% Companies AI Me Invest Kar Rahi Hain

Duniya bhar me 92% companies AI marketing tools me invest kar rahi hain. Jo marketers AI samajhte hain - unki demand sabse zyada hai.

## 3-6 Months Me Career Start

MBA ya engineering jaisi 3-4 saal ki commitment nahi chahiye. Skills-based field hai - results se job milti hai, degree se nahi.

## Freelancing Se 2L+/Month Possible

Experienced digital marketers freelancing se achhi income kama rahe hain. Remote kaam, global clients - location ki koi limitation nahi.

# Kya Sikhoge - Course Modules

8 comprehensive modules - har ek me AI tools ka practical use sikhoge.

## 01. SEO + AI

Keyword research, on-page, technical SEO - ChatGPT, Claude, Perplexity se. Google AI Overviews me visibility kaise laayein wo bhi sikhoge.

## 02. Google Ads + AI

Search, display, YouTube ads setup. AI se bidding, copy writing, audience targeting optimize karna. Real budget pe practice.

## 03. Social Media + AI

Instagram, Facebook, LinkedIn - organic aur paid strategy. AI tools se content calendar, captions, hashtag research.

## 04. Content Marketing + AI

Blog, video scripts, email campaigns. AI se draft karna aur human touch add karna. Content jo rank bhi kare, convert bhi kare.

## 05. Email Marketing + Automation

Lead nurturing, welcome series, re-engagement campaigns. AI se personalization aur A/B testing seekhoge.

## 06. Analytics + Data Decisions

Google Analytics, Search Console, ad dashboards padhna. AI se reporting aur insights nikalna seekhoge.

## 07. AEO (Answer Engine Optimization)

ChatGPT, Perplexity, Google AI me brand visibility - ye 2026 ka naya battleground hai jo 99% courses nahi padhate.

## 08. Real Client Projects

Theory nahi - actual websites, campaigns, budgets pe kaam karoge. Portfolio banega jo interviews me dikhao.

# Ye Kiske Liye Hai?

## Students and Freshers

12th ya graduation ke baad career banana hai digital marketing me? Real projects, portfolio, interview confidence. Fresher salary 15K-30K/month se start hoti hai aur skills ke saath jaldi badhti hai.

## Working Professionals - Career Switch / Upskill

BPO, teaching, sales ya koi bhi field me ho - digital marketing me shift karna chahte ho? Ya already marketing me ho par AI tools nahi aate? Ye training tumhe 2026 ke level pe le aayegi.

## Business Owners

Agency pe depend rehna band karo. Apne business ka SEO, ads, social media samjho - kya kaam ho raha hai kya nahi, khud judge kar paoge. Paisa waste hona band hoga.

# Trainer Ke Baare Me

## Swapn Kumar - Founder, Adwen Plus

18 saal ka practitioner - classroom teacher nahi. Aaj bhi India, UK aur Vietnam ke clients handle karta hoon daily. Jo sikhata hoon wo khud karta hoon. Small batch sirf 5-8 students. Screen share pe sikhata hoon, sessions record hote hain. No slides, no theory dumps - real projects pe kaam hota hai. Fake promises nahi deta - seedhi baat, realistic expectations.

# Kaise Start Karein

## Step 1: WhatsApp Karo

WhatsApp pe 'DETAILS' likho. Koi form nahi bharna, koi signup nahi. Bas ek message.

## Step 2: Free Consultation
